RISHI PANCHAL

WEB DEVELOPER

9313386032 | panchal.rishi1700@gmail.com | linkedin.com/in/rishipanchal | Vadodara, Gujarat

SUMMARY

Motivated and creative BCA student with a strong interest in full-stack development. Currently building my skills to work confidently across both front-end and back-end technologies. Known for being a quick learner, highly dedicated, and eager to take on new challenges that help me grow as a developer. Actively seeking internship opportunities to gain industry exposure and contribute to real-world projects.

EDUCATION

Bachelor of Computer Application **May 2023 - May 2026**
Maharaja SayajiRao University, Vadodara, Gujarat

PROJECTS

Employee Management System (Mini Project)
Built a role-based Employee and Admin Dashboard with authentication, task management, and persistent login sessions using React.js.

- Allows secure login for Admin and Employees
- Enables Admins to assign and manage tasks
- Lets Employees view assigned tasks and status
- Maintains login sessions and data persistence.

SteadFast.ai (Currently Working)
Developed a full-stack AI SaaS application using the MERN stack with secure authentication, subscription billing, and multiple AI-powered tools.

- Provides secure user authentication and profile management using Clerk
- Supports subscription-based access to premium AI features
- Generates AI content including articles, blog titles, images, and resumes
- Performs AI-powered image processing such as background and object removal

SKILLS

Web Technologies:
